PUBLIC NOTICE: 95/2023/24

ELECTRICITY OUTAGE (NB. TIMES)

Kindly be informed that there will be an electricity outage that will affect Area 13 customers on **Thursday, 2 May 2024 from 09h00 to 14h00** alternatively **Monday, 6 May 2024 from 09h00 to 14h00** in case of adverse weather conditions.

The outage is carried out in order to replace broken insulators and a cross-arm, which causes spurious electricity outages during adverse weather conditions and to prevent conductor clashing and trees growing into lines causing faults.

Electricity supply may resume at any time and all electrical installations must be treated as live at all times.

For further information, contact Manager Technical Services (Electrical) Mr. J. Mosenene at 051 – 633 2406 Technical Services.

Thanking you in advance for your co-operation.

Yours sincerely

K. GASHI
